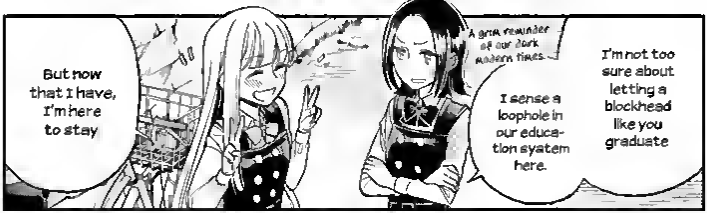
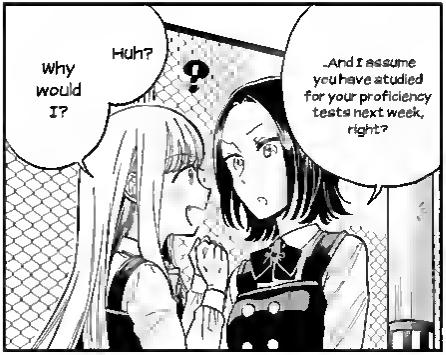
Check me out!
Say hello to the new high schooler



A grim reminder of our dark modern times...
I'm not too sure about letting a blockhead like you graduate
I sense a loophole in our education system here.
But now that I have, I'm here to stay

You really don't have to, y'know
So I shall bravely keep on coming with my bicycle.
We can talk elsewhere
Please let me...

I'M IN HIGH SCHOOL, BUT MISS BRAZEN BROW IS ONE GRADE HIGHER.
WHICH MEANS IT WON'T BE THAT EASY TO SPEND TIME WITH HER.

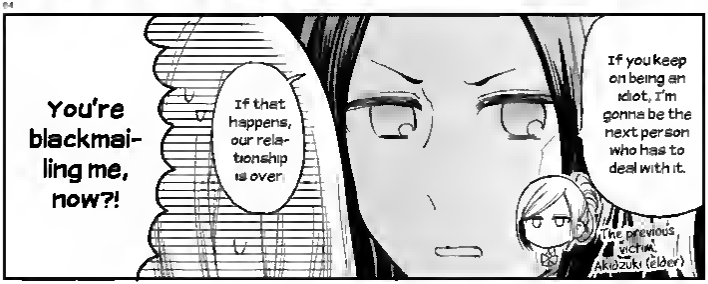


Why would I?
Huh?
?
..And I assume you have studied for your proficiency tests next week, right?

Come on, to celebrate my entering in high school!
Besides tomorrow's a saturday so we could go shopping together!

I'M VERY SORRY!
RUB
RUB
RUB

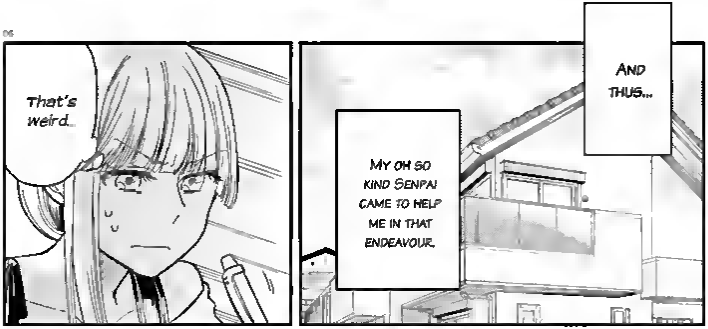
It won't even be counted in my average so who cares if I get a 5 or..
I'm not gonna bother with that
Jun-chan idiot
ハカてーす



You're blackmailing me, now?!
If that happens, our relationship is over.
If you keep on being an idiot, I'm gonna be the next person who has to deal with it.
The previous victim. Akizuki (elder)

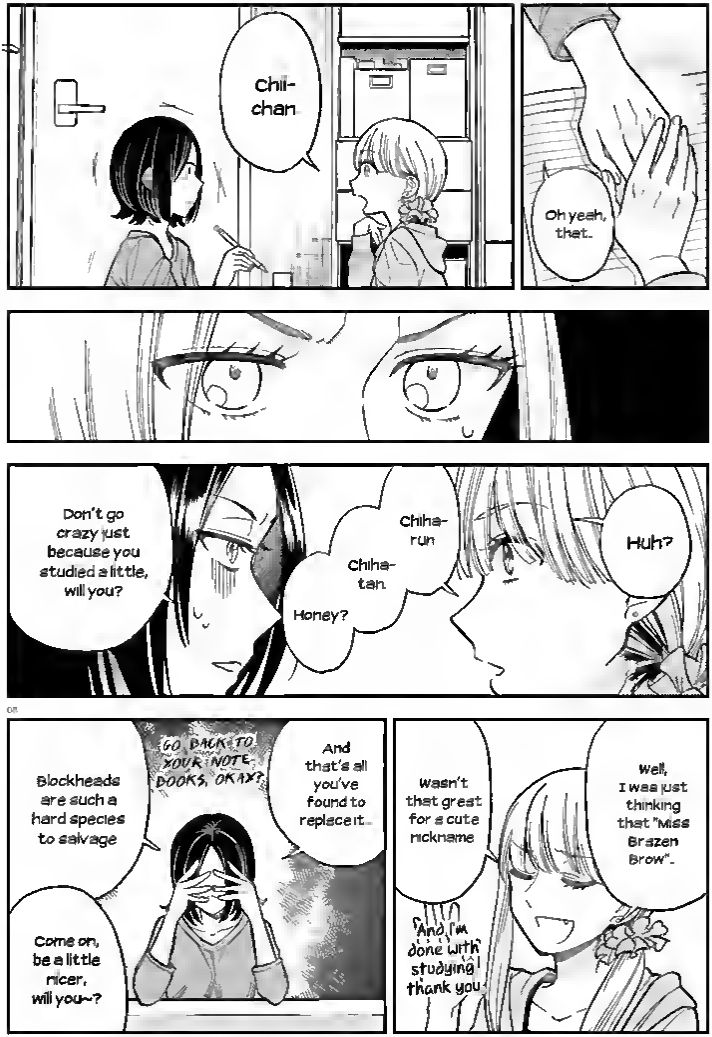
AT LEAST 40 POINTS?!
Not a red mark.
You call that a goal?
At least try to not get red marks
Ah, okay I'm gonna aim for a 25/100 or something.
roll roll...
I don't get it anymore so let's just let the gods decide.
The only times I got such gradee were when my pencil wes in top form!!
Seriously, I don't know what stops me from giving up on you
Huh?
Sure, why not
But that would just be...
The only way to succeed would be to have you tutor me around the clock for the whole weekend~

If it's for your sake, then I'll gladly help
I'm red.
You sure about that?
Huh... Err..
Well then, see you later
We can do it at your place
Huh?
I'm gonna call your house
However, don't expect any chances for a sweet romantic mood
We're doing this to cure your stupidity, got it?
It goes without saying



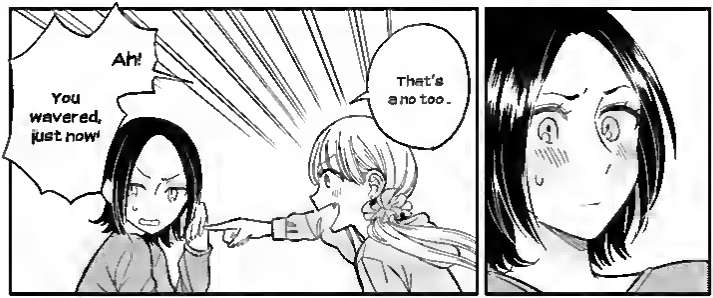
That's weird...
And thus...
My oh so kind Senpai came to help me in that endeavour.

Just a sec. let me finish this volume.
I WAS RATHER IMAGINING THIS AS
WHAT'S THE DIFFERENCE BETWEEN HER AND ME, THEN?
NOT THAT I MIND THAT SHE'S HERE BUT
Ai, I thought you had come to study?
The Spartan way too
But we're doing nothing but study to death...
The hell is this...
Did I say you could rest?
No Ma'am
In manga and such, the sleepover is supposed to be a super important event...
Izumi would you have the 4th volume of this?
SECURITY MEASURE?
AND THE OTHER ONE HAS COME TOO, FOR WHATEVER REASON.
Yeah, I think you're just above 40/100, now
Which one?
Zzz
Miss Brazen Brow, I don't get this part.
I want to pat myself in the back.
We're Sunday evening and, well, we've made some fine progress

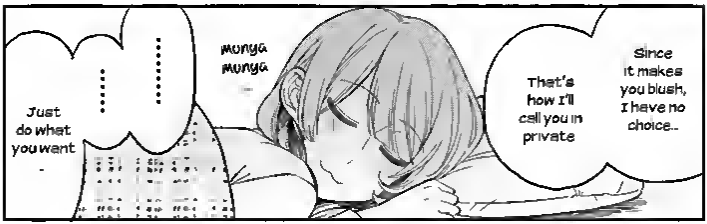


Chii-chan
Oh yeah, that...
Don't go crazy just because you studied a little, will you?
Chiha-tan
Chiha-run
Huh?
Honey?
GO BACK TO YOUR NOTE-BOOKS, OKAY?
Blockheads are such a hard species to salvage
And that's all you've found to replace it...
Come on, be a little nicer, will you~?
Wasn't that great for a cute nickname
Well, I was just thinking that "Miss Brazen Brow".
And I'm done with studying! thank you

Okay, then.
Chiharu.



Ah!
You wavered, just now!
That's a no too.



Just do what you want.
Munya munya
That's how I'll call you in private
Since it makes you blush, I have no choice..
